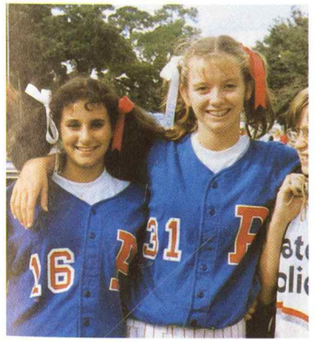
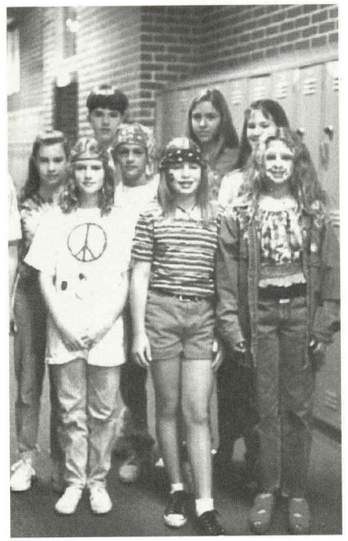
Fire up that PJ spirit!

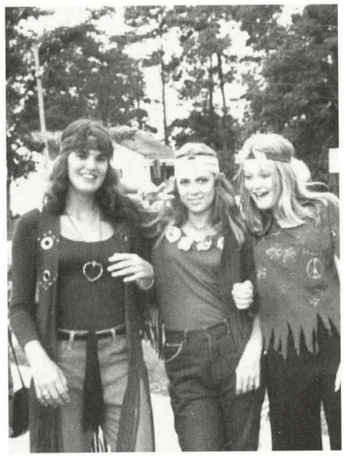


Pride Week '93



7th graders are groovy, man!

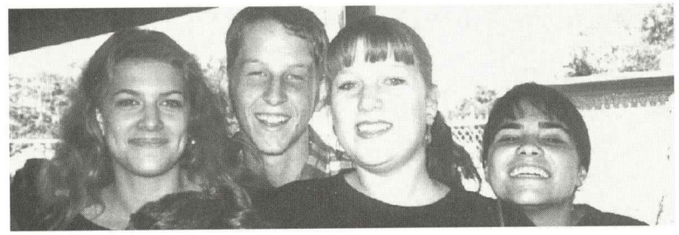
Arien, let the sun shine in!



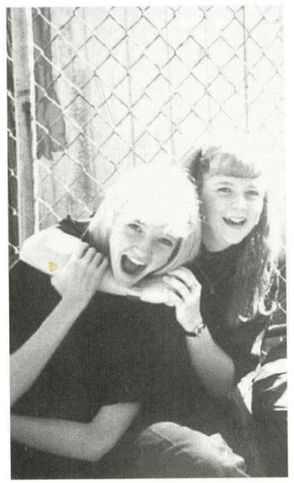
Woodstock, or bust!

Students at PJ showed their Panther spirit with "a little bit of everything" during this year's Pride Week activities. On Tuesday the students showed their dark sides on the first ever "Black-Out Day." The 60's were brought back on Wednesday as the students dressed like hippies. Everywhere you looked, it was like Woodstock all over. Bell bottoms, love beads, head-bands, peace signs, flower power, Bob Dylan-style sun glasses, and words like "groovy man" were seen and heard all over the campus. On Thursday the students wore their class colors of red, white, or blue, to show their spirit in their respective grades. During halftime festivities at War Memorial Stadium, the spirit trophy was awarded to the freshman class for the best over-all participation in the day's activities. Another highlight of the evening was the crowning of Toni Arnold as PJ's 1993 Pride Court queen. Even the drizzle and rain which fell throughout the day and evening could not dampen the Panther spirit. Pride Week ended in high gear on Friday with "Twin Day." The halls were filled with twins, triplets, and even more to show their PJ spirit. Pride Week activities provided opportunities for the teachers and students to enjoy "a little bit of everything" in '93.

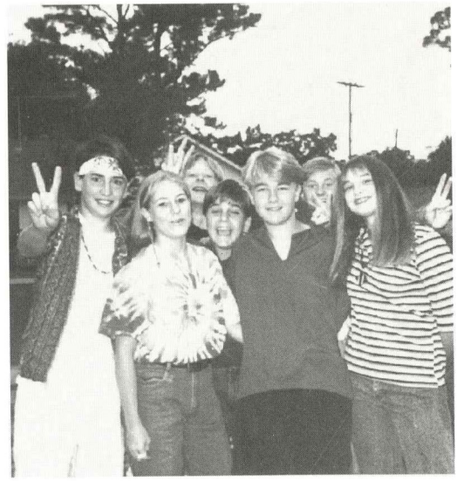
Fish, is that candy good?



Smile if you have Panther spirit.



It's black-out, not pass out day, Rachel.



Peace Rulz!

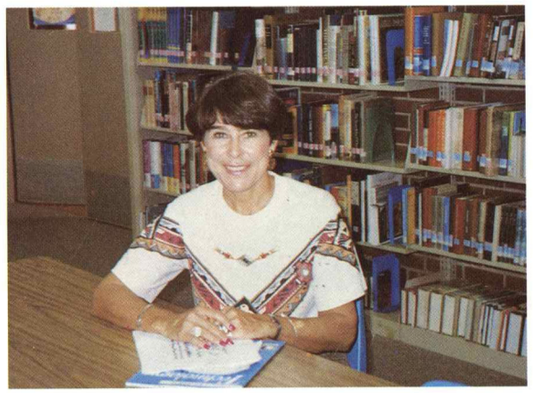
Dedication

VIRGINIA BRYANT



The 1994 *Panther Paw* staff dedicates this year's edition to Ms. Virginia Bryant. Ms. Bryant is very deserving of this honor because she makes learning fun for all of her students.

Ms. Bryant has been an IDEAS teacher at Pascagoula Junior High for the past seven years. Before coming to PJ, she taught English and social studies in the Pascagoula School District.

Ms. Bryant has always wanted to be a teacher. Her favorite part of teaching is seeing the students' expressions when they learn something new and are proud of this accomplishment.

When she it not involved in school activities, Ms. Bryant enjoys playing tennis, boating, and water skiing.

The *Panther Paw* staff takes great pride in dedicating this volume to Ms. Virginia Bryant.

Memories A LITTLE BIT OF

This year a "little bit of everything" has been available to capture the interest of PJ's students. Various events and activities have allowed the students to create a number of special memories of this school year. These are but a few of the events and activities that brought meaning to the 1993-1994 school year.

PJ started a seven period day and added some new courses including German, learning strategies, career education, keyboarding, home economics and shop for seventh graders, and show choir.

PJ welcomed several new teachers: Susie Leckey, Bobbie Jean Hays, Rose Collins, and Helga Arrington.

Pascagoula voters failed again in '93 to approve a school bond issue calling for the construction of two new high schools. Will 1994 be the year??

Thanks to the generosity of the seventh grade classes, Coach Merrill received a pie in the face at the end of the Student Council-sponsored Thanksgiving food drive.

Pascagoula schools became tobacco free!

Homeport Pascagoula was allowed to remain open.

The Mississippi River flooded its banks and caused extensive damage to many midwestern cities.

An earthquake shook southern California on an early January morning.

New casinos came to the Mississippi coast, and more appear to be on the way.

A new Kmart store opened its doors in Pascagoula.

People continued to speculate on who was involved in the attack on Olympic figure skater, Nancy Kerrigan.

Neil Young was named Artist of the Year.

Pearl Jam came out with a new album.

Lenny Kravitz and Blind Melon went on tour.

Birkenstocks, Tevas, chokers, and 1960-style clothing were the "new" idea.

Michael Jordan retired from the NBA.

Some famous passings included River Phoenix, Vincent Price, Audrey Hepburn, Arthur Ashe, and Dizzy Gillespie.

NAFTA was passed by Congress.

The Brady Bill was finally signed into law.

The Russian voters went to the polls for the first democratic elections in that country's history.

The mid-east peace treaty was signed in Washington, D.C.

Amtrak's *Sunset Limited* derailed in Big Bayou Canot, just outside of Mobile, Alabama.

There was fighting in Mexico and Haiti, and American troops were sent to Somalia.

Super Bowl '94 saw a rematch of the Dallas Cowboys and the Buffalo Bills.

Will trip #4 bring the Bills a better chance? NOT!!

Peyton Manning disappointed many Ole Miss fans when he signed a letter of intent with Tennessee.

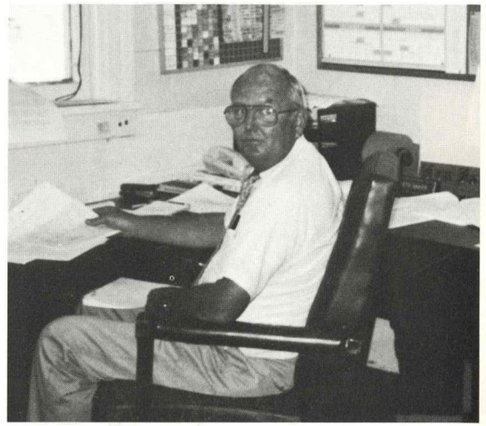
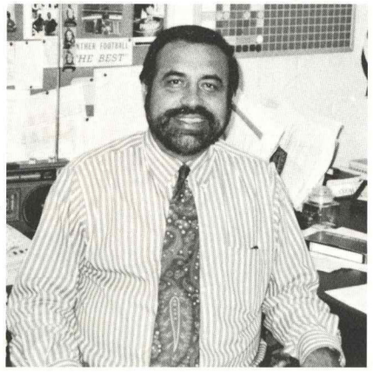
Kenneth Baker

Principal



I take much pride in congratulating the students for a great school year. PJ has a reputation for his pride, caring, and concern. You have enhanced this reputation by your participation in and support of extracurricular activities. Your gifts to the school, such as the new marquee, your record-setting contributions to the Salvation Army Thanksgiving food drive, and, above all, your willingness to expend the energy needed to prepare yourselves for successful lives have helped to carry on a proud PJ tradition.

I wish for you continuing success and the hope that years from now this annual will stir in you fond memories of a happy past.



Anthony Ladner

Assistant Principal

Being surrounded by some of our community's most outstanding youth is a gratifying feeling. I enjoy sharing this very important time of your life. If I could talk with each of you personally, I would want to tell you the importance of believing in yourself because when you really BELIEVE, you really do ACHIEVE anything and everything you want in life. Thank you for being so special and important. You make my job as assistant principal at PJHS a most rewarding experience.
